Dear Sirs,

Woodhouse DPPO

We are writing in support of the proposed DPPO.

Woodhouse & District Community Forum were consulted regarding this proposal last year and have been fully supportive of this strategy. Our meetings are held once a month and there is always presence from the local PCSO's. This issue of drinking in the streets is usually a topic for discussion and of concern to our members. Therefore, when this proposal was announced at one of our meetings, it was met with enthusiasm and we have tracked its progress with interest.

We as an organisation, presented this petition to the council with over 600 signatures in favour of this and have supported it all the way though the concept. We continue to support this and regard it as an essential tool to combat the problem of street drinking in Woodhouse.

Yours faithfully,

Howard Constable
(Chairman)
